London’s designs reflect a free–spirited, improvisational approach to yarn crafting.

London uses a slip knot and just 3 stitches in her designs – a chain stitch, a slip stitch and a single crochet stitch. Watch our how-to videos at LionBrand.com/londonkaye for how to make a slip knot and how to do each of the 3 stitches.

Remember that London’s style is big loose stitches! Don’t pull your yarn tightly or try for uniform, even stitches. Our diagrams show orderly stitches. Use the diagrams to plot your course, but we encourage you to go your own way and place your stitches as you like.

Our patterns are meant to inspire you to embrace your creative spirit!

**KEY**

- ○ chain
- × single crochet
- • slip stitch

**HERE’S HOW**

**Butterfly**

Pick any 2 yarn colors, one for the body and outer trim and one for the wings.

**Step 1** With first color of your choice, make a slip knot onto the hook and chain 8. Make 1 single crochet in the 2nd chain from the hook and 1 sc in each of the next 6 chain - you’ll have 7 single crochet stitches.

Fasten off.

**Wings**

**Step 2** With second yarn color, make a slip knot onto the hook. Chain 5. Make 1 sc in the 2nd chain from the hook and 1 sc in each of the next 3 chain - you’ll have 4 sc.

**Terms**

sc = single crochet

**turn** = turn your piece around so that the side that was facing you is now facing away from you.
Step 3  Chain 1, turn, slip stitch in the first sc, then make sc stitches evenly spaced around the outside edge of Step 2, slip stitch in the first sc to join.

Fasten off.

Glue tips of 4 wings to the back of the body.

Glue yarn tails to the back of the pieces.

Step 4  Join the color you used in Step 1 with a slip stitch in the narrow end of Step 3. Chain 1, make sc stitches evenly spaced around the outside edge of the wing, slip stitch in the first sc to join.

Fasten off.
